

TITLE

Graphic Design Proposal for Rebranding of Sunshine Plastics, Ndeeba

1. Introduction

Sunshine Plastics is a plastics manufacturing and supply company located in Ndeeba, Kampala, Uganda. The company provides plastic products for domestic, commercial, and industrial use. This proposal presents a rebranding plan aimed at modernizing the company's image, strengthening market presence, and improving communication with customers.

2. Problem Statement

The current visual identity may no longer fully reflect the company's growth, professionalism, and competitiveness. Challenges include inconsistent branding, outdated visuals, weak differentiation from competitors, and limited brand recognition.

3. Objectives

- Create a modern and professional visual identity.
- Improve customer recognition and memorability.
- Communicate quality, reliability, affordability, and innovation.
- Create consistency across all communication platforms.
- Strengthen market competitiveness.

4. Methodology

The project will involve research, brand analysis, concept development, logo design, application to company materials, review, revisions, and final delivery of branding assets.

5. Expected Outcomes

At the end of the rebranding project, Sunshine Plastics is expected to achieve:

- A modern and recognizable brand identity.
- Improved visibility in the plastics market.
- Consistent branding across all communication materials.
- Increased customer trust and professionalism.
- Better market competitiveness and customer attraction.

6. Budgeting

Item	Estimated Cost (UGX)
Research and brand analysis	
Logo design and concept development	
Brand color and typography system	
Business card and letterhead design	
Packaging mockup design	
Social media templates	
Signage concept design	
Final production files and brand guide	

Estimated Total: UGX 100,000

7. Time Frame

Activity	Duration
Research and data collection	4 days
Brand analysis	3 days
Concept development	5 days
Design refinement	6 days
Application to materials	5 days
Review and final delivery	5 days

8. Conclusion

Rebranding Sunshine Plastics will create a stronger visual identity that reflects quality, professionalism, and future growth. The refreshed identity will improve communication, strengthen customer recognition, and increase competitiveness in the market.
